I will be leading the class through a process of listening. We will all be attending to a few class members as they present case material. Student will be presenting their understanding of theoretical material connected to their case presentation. This is a class focusing on Intersubjective Systems Theory and Relational Theory, as they apply to case conference but if someone presents from another point of view, I am perfectly capable of sliding around when it comes to theory.

Readings:

The Abyss of Madness by George E. Atwood  Chapter one.

We will be discussing this chapter the first 15 minutes of class.
I look forward to meeting you all and enjoying the opportunity to participate in case conference
