A.

2.

B.	Training & Supervising Analysts from other Psychoanalytic Institutes:
1.	Have you been approved as a Training and/or Supervising Analyst by any other institute? ☐ YES ☐ NO
2.	What institute approved you to be a Training Analyst?
3.	What institute approved you as a Supervising Analyst?
4.	What was required to be approved as a Training & Supervising Analyst?
C. 1.	Analysts from other Institutes who are NOT approved Training & Supervising Analysts Do you have 5 years post graduate experience working analytically?
	□ YES □ NO
2.	Please tell us why you chose not to become a Training & Supervising Analyst at your own institute:
3.	How many years of peer consultation groups or supervision training groups have you participated in since graduating as an analyst?
	Describe the nature of these groups:
	A member of the ICP TSA Committee will contact you regarding your application.

If it is determined that your experience is not sufficiently equivalent to ICP's standards you may be asked to do some combination of the following, in order to be approved as an ICP Training & Supervising

Analyst:

- 1. Present an analytic case to three members of the ICP Training & Supervising Committee (See this link ICP Training Supervising Policies and Procedures for guidelines and expectations)
- 2. Discuss your experience of supervision with three members of the ICP TSA Committee. You may be asked to share what you have learned from your experience conducting and/or receiving supervision and describe how it has shaped your philosophy of supervision and what you hope to offer candidates that you supervise.
- 3. Participate in peer study groups and/or supervision training groups for a specified length of time.
- 4. Provide additional information about your institute's training program requirements to help us evaluate if they meet basic equivalency standards (e.g., didactic coursework, personal analysis of 4-5 x's week, minimum two control cases of 3-5 x's week frequency).
